### **Advancing Informal STEM Learning (AISL)**

The Advancing Informal STEM Learning Program is committed to funding research and practice, with continued focus on investigating a range of informal STEM learning (ISL) experiences and environments that make lifelong learning a reality. The AISL Program funds five types of projects: (1) synthesis; (2) conference; (3) partnership development and planning; (4) integrating research and practice; and (5) research in support of wide-reaching public engagement with STEM.

Application Deadline: 1/11/23 | [View Opportunity](#)
