Outreach and Assistance for Socially Disadvantaged Farmers and Ranchers and Veteran Farmers and Ranchers

The overall goal of this program is to encourage and assist socially disadvantaged farmers and ranchers, veteran farmers and ranchers, and beginning farmers and ranchers with owning and operating farms and ranches and in participating equitably in the full range of agricultural, forestry, and related programs offered by USDA. Eligible entities may compete for funding on projects that provide education and training in agriculture, agribusiness, forestry, agriculturally related services, and USDA programs, and to conduct outreach initiatives designed to accomplish those goals.

Swine Health—African Swine Fever

Prevention of and preparedness in the event of an African swine fever (ASF) viral introduction to the US is of high priority to producers. Expansion of knowledge against ASF and other foreign animal disease threats is critical. The ASF working group has prioritized key areas of focus for research for 2021-2022: biosecurity risk management and new ASF vaccine technology.
