FY22 Bureau of Land Management Bureau-Wide National Landscape Conservation System

The Bureau of Land Management manages these special areas to maintain and enhance their conservation values with the goal to conserve, protect, and restore these important landscapes and their outstanding cultural, ecological, and scientific values. The program seeks to develop and maintain strong partnerships in shared conservation stewardship by engaging partners in conducting management-focused research on the National Conservation Lands.

Application Deadline: 1/14/22 | [View Opportunity](#)

Research Grants to Prevent Firearm-Related Violence and Injuries

The intent of this announcement is to support research to improve understanding of firearm injury, inform the development of innovative and promising prevention strategies, and rigorously evaluate the effectiveness of strategies to keep individuals, families, schools, and communities safe from firearm-related injuries, deaths, and crime.

LOI Due: 12/8/21 | Application Deadline: 2/4/22 | [View Opportunity](#)

Specialty Crop Multi-State Program

The US Department of Agriculture Agricultural Marketing Service (AMS), requests applications for the fiscal year 2021 Specialty Crop Multi-State Program. AMS will competitively award funds to enhance the competitiveness of specialty crops through collaborative, multi-state projects that address the following regional or national level specialty crop issues: food safety; plant pests and disease; research; crop-specific projects addressing common issues; and marketing and promotion.

Application Deadline: 12/6/21 / [View Opportunity](#)

Food Safety Outreach Competitive Grants Program

The Food Safety Outreach Program will complement and expand the national infrastructure of the National Food Safety Training, Education, Extension, Outreach, and Technical Assistance Competitive Grants Program.

Application Deadline: 12/13/21 / [View Opportunity](#)
