Please see [NIFA Upcoming RFA Calendar](#) and email [aggrant@tennessee.edu](mailto:aggrant@tennessee.edu) to apply.

---

### **Regional Clean Hydrogen Analysis**

Hydrogen and related technologies, such as electrolyzers, fuel cells, and turbines, can play a key role in decarbonizing industry, medium/heavy-duty transportation, and power generation, in support of the Biden Administration's goal to achieve a carbon-pollution free electric grid by 2035 and a net zero emissions economy by 2050. The Regional Clean Hydrogen Analysis solicits analysis projects to identify and characterize the value proposition of specific regional clean hydrogen deployments that could be successfully implemented over the coming years.

Application Deadline: 10/7/24 | [View Opportunity](#)

---

### **EPA Announces 2021 EE Local Grants**

Through this grant program, EPA intends to provide financial support for projects that design, demonstrate, and/or disseminate environmental education practices, methods, or techniques that will serve to increase environmental literacy and encourage behavior that will benefit the environment in the local communities, especially in underserved communities.

Application Deadline: 12/6/21 | [View Opportunity](#)

### **Development of Innovative Approaches to Assess the Toxicity of Chemical Mixtures**

This Request for Applications solicits research focused on the development and evaluation of innovative methods and approaches to inform human health risk

## State

### Riparian Tree Planting Grants

Tennessee Wildlife Resources Agency (TWRA) announces the availability of grant dollars to assist cities, schools, community organizations, civic groups, watershed organizations, and conservation groups, etc., with riparian tree planting projects. All seedlings must be bought through the Department of Agriculture, Division of Forestry. Tree planting season in Tennessee is

## Foundations & Nonprofits

### Global Climate-Smart Practices Assessment

The Foundation for Food and Agriculture Research and Syngenta Foundation seek applications to invite institutions to submit a proposal to provide analyses that increase understanding of the climate-smart agriculture policy ecosystem and implementation across India, Kenya, and Bangladesh. This request seeks information on key climate-smart agriculture trends and country-specific case studies on incentive mechanisms and their effectiveness in these countries.

Application Deadline: 11/3/21 | [View Opportunity](#)
