Foundations

Diplomate Research Grant Program

Grants designed to fund projects that address a surgical problem using clinical participants, case material, or laboratory study designs. Funding up to \$10,000 per grant is available.

Surgery Resident Research Grant

Funding up to \$15,000 per grant is available to surgery residents in the first two years of training at an American College of Veterinary Surgeons registered residency training program, with the expectation that the project will be completed by the end of the residency.

Application Deadline: 1/15/23 | [View Opportunities](#)

National Academy of Sciences (NAS) Prize in Food and Agriculture Sciences

The award recognizes extraordinary contributions to agriculture and understanding the biology of species important to food and agriculture production. The NAS Prize elevates food and agriculture research and highlights the critical need for scientists working toward more productive, sustainable agriculture. Annually, we award the prize to one recipient, who receives a medal and a \$100,000 cash award.

Nominations due: 10/3/22 | [View Opportunity](#)
