Funding Opportunities Digest— July 29, 2024

To notify the Office of Sponsored Programs (OSP) of your intent to apply for any of these or other grant opportunities, please submit a Proposal Intake Questionnaire **to provide OSP with preliminary information.**

To request a change to existing award, please complete the Award Action Form **and submit it to** aggrant@utk.edu**. This will ensure that your request is properly documented and processed in a timely manner.**

Check out the Office of Sponsored Programs website **to view more** funding opportunities **to consider.**

Newly Announced

Feline Health Proposal
Proposals should advance the health and overall welfare of domestic cats, including community and pet cats. Projects involving other feline species are not included in this call.
Application Deadline: 10/2/2024 | View Opportunity

North American Wetlands Conservation Act Grants

The North American Wetlands Conservation Act Grants program is a competitive grant program with a thorough application process. These projects must involve long-term protection, restoration, and/or enhancement of wetlands and associated uplands habitats for the benefit of all wetlands-associated migratory birds.
Application Deadline: 10/10/2024 | View Opportunity

Assisting Specialist Crop Exports

The Assisting Specialty Crop Exports Initiative goal is to expand specialty crop exports by helping US exporters address non-tariff trade barriers.
Application Deadline: 10/18/2024 | View Opportunity

Agriculture and Food Research Initiative - Foundational and Applied Science Program

The Foundational and Applied Science Program supports grants in six priority areas to advance knowledge in both fundamental and applied sciences important to agriculture. The six priority areas are: plant health and production and plant products; animal health and production and animal products; food safety, nutrition, and health; bioenergy, natural resources, and environment; agriculture systems and technology; and agriculture economics and rural communities. Research-only, extension-only, and integrated research, education and/or extension projects are solicited in this request for applications.
Application Deadline: 12/31/2024 | View Opportunity

Application Deadlines:

- **August 5:** Mentoring at Risk and Rural Youth

- **August 13:** National Needs Graduate and Postgraduate Fellowship Grants Program
- **September 17:** Small Business Innovation Research and Small Business Technology Transfer Programs Phase I
