Ongoing

Community Food Projects Competitive Grant Program

This program is intended to bring together stakeholders from distinct parts of the food system and to foster understanding of national food security trends and how they might improve local food systems.

Application Deadline: 11/7/2024 | [View Opportunity](#)

Specialty Crop Research Initiative

The purpose of the Specialty Crop Research Initiative program is to address the critical needs of the specialty crop industry by awarding grants to support research and extension that address key challenges of national, regional, and multi-state importance in sustaining all components of food and agriculture, including conventional and organic food production systems.

Application Deadline: 11/8/2024 | [View Opportunity](#)

Agriculture and Food Research Initiative - Foundational and Applied Science Program

The Foundational and Applied Science Program supports grants in six priority

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

and plant products; animal health and production and animal products; food safety, nutrition, and health; bioenergy, natural resources, and environment; agriculture systems and technology; and agriculture economics and rural communities. Research-only, extension-only, and integrated research, education and/or extension projects are solicited in this request for applications. Application Deadline: 12/31/2024 | [View Opportunity](#)

Canine Osteosarcoma Proposals

This request for proposals is focused on canine osteosarcoma, the most common primary bone tumor diagnosed in dogs. Of particular interest are studies that focus on new treatment approaches, but all proposals that seek to advance canine osteosarcoma research are encouraged.

Application Deadline: 11/13/2024 | [View Opportunity](#)

Landscape Scale Restoration Grants

The purpose of the landscape scale restoration competitive grant program is to encourage collaborative, science-based restoration of priority forest landscapes, leverage public and private resources, and support priorities identified in state forest action plans.

Application Deadline: 12/13/2024 | [View Opportunity](#)
